\* Carjacking tracking began September 2020. This affects the average calculation.  
 \*\* Shots Fired Calls include Shooting, Shooting Report Only, ShotSpotter Activation, and Sound of Shots Fired. ShotSpotter only exists in the 3rd and 4th Precincts based on current system infrastructure.  
 The National Incident Based Reporting System (NIBRS) counts individual offenses and, for certain offenses, unique victims. Therefore one incident/case may count multiple times under the MIBRS Crime Metrics. For more information, click the [Instructions & Definitions](#) link in the upper left-hand corner. All numbers are preliminary and subject to change upon further review.
